## Shooting Sports Permission Form

Troop #: \_\_\_\_\_ Town \_\_\_\_\_

Scout Leaders: The State of New York requires that we have parental permission for Scouts attending events who wish to participate in the Shooting Sports Programs. Please have each boy's parent/guardian read the boxed paragraph below and explain to them that boys will not be allowed to participate in the Shooting Sports Program without their signature. As the parent or legal guardian of the child listed below,

I understand that by signing this form opposite my child's name I am giving permission for him to participate in the Top Shot Spring Camporee at Henderson Scout Reservation, which includes Pellet rifle, .22 rifle and shotgun shooting as part of the program.
