RE: First Aid Meet - Changes

Dear Scoutmaster:

This year at the Winter Event will include the First Aid Meet. Both Deerslayer and Foothills Districts will be competing at this event. Combining the event which each district had previously hosted individually has resulted in some changes.

You will find enclosed a sample problem along with a sample score sheet. The score sheet will be a different format than what you have seen before, so please take a few moments to review it to see what changes have been made to the sheet. It should be noted that each score sheet will be tailored to the problem.

Some other items which you should take note of are new to only 1 district:

1. Need for victim assessment
2. Going for help – up to the team to take this initiative
3. No stickers indicating point of injury
