

Hi John,  
 I just wanted to let someone know how much our Webelos II of Pack 3 in Morris enjoyed their experience at Camp Henderson!

As a parent/Assistant Leader, I was impressed with the staff, facilities and the overall program.

Although our boys' favorite activities were the air rifle and archery classes, I know they learned alot about identifying trees and plants, as well as swamps, and their uses and importance of their existence in nature.

It was also a great opportunity for them to learn how to carry out a true flag ceremony! What a learning experience that was... for all of us!

Even after our leader returned from the informational meeting, I had no idea what to expect! I know my son, Alex, had a great time, learned alot and made new friends.

He is already looking forward to the Fall Camp opportunity at Camp Henderson as well as returning next summer as a Boy Scout!

If you could share this with the camp/program director, that would be great. They all deserve a big pat on the back for jobs well done!

Thanks,  
 Lauren Marobacne  
 Secretary/Asst. Webelos II Leader  
 Pack 3, Morris
